# BAYLOR STUDENT LIFE SPOTLIGHT

Dear Colleagues,

Spring Break is almost here! For some it will be a chance to travel or spend time with family. For others it will be (hopefully) a quiet week, maybe a chance to catch up on some things. Even with many students (and staff) leaving campus/Waco, there is still lots happening that we wanted to spotlight for you.

## IMPACT

In our last e-mail we highlighted the 2,016 students who were about to participate in *Sing*. Our students put on 6 fantastic live performances with over 11,000 people attending, and additionally, more than 1,000 joined virtually from around the country. Bravo!

Another impressive accomplishment is the service anniversaries that many of our staff surpassed in the past year. We want to celebrate the work and contributions of our colleagues.

Please join us in celebrating and thanking:

- **40 Years:** Elizabeth Palacios.
- **35 Years:** Linda Cates.
- **25 Years:** Brenda Ferguson.
- **20 Years:** Kathryn Coleman, Heather Gilliam, Linda Probst.
- **15 Years:** Suellen Husak, Regina Mastin.
- **10 Years:** Polly Flippin, Anna Freeto, Tammie Hanlin, Tiffany Lowe, Curtis Odle, Linda Townsend, Cheryl Wooten.
- **5 Years:** Tom Barnard, Kim Black, Candace Blackwell, Nikki Cooper, Linda Cortes, Grace Kallimel, Alycia McCormack, Michael Myers, Jessica Raddin, Nancy Rios, Jeff Robinson, Sharon Still, Tanner Vickers.

## UPDATES

As we enter a week with lots of scheduled travel, this is a good time for a reminder from our colleagues in Risk Management:

*Need to drive a rental car or university owned vehicle on behalf of Baylor? You must complete the driving authorization form, consent form, and all required trainings. Forms must be signed with a "wet" ink signature and faxed or delivered to the contact information provided on the form. Please visit the [Driving for Baylor](#) website to learn more!*

## COMING UP

Speaking of travel, over Spring Break we have several student trips going out and representing Baylor. [Missions and Public Life](#) is leading 3 trips, with over 60 students, serving on disaster relief teams to Kentucky and Louisiana as well as an education focused team heading to Costa Rica. Campus Recreation is also leading [6 outdoor adventure trips](#), for over 60 students, to locations such as the Grand Canyon in Arizona, Paria Canyon in Utah, and Big Bend National Park here in Texas. Safe travels!

## MOMENTS

*We just wrapped up two intense weeks of All University Sing, showcasing just how talented and creative our Baylor Bears are.*
