

BAYLOR STUDENT LIFE SPOTLIGHT

Dear Colleagues,

Happy Easter! Christ is risen! We hope everyone enjoyed a four day weekend and was able to rest, recharge, and reflect upon the joy of the Easter season. As we return to the office there are ~4 weeks left in the semester. There is lots left to do, but great colleagues to share the work with. Below are some things to spotlight this week.

IMPACT

Its been a couple weeks now, but another Dia is in the books! A huge shout out to all that worked so hard to make it such a special day, and particularly Student Activities and the Baylor Activities Council! There was goat yoga, amusement rides, a fun run, wiffle ball, tug-o-war, axe throwing, mini golf, a step show, and so, so much more. It was truly a joy to have such a full celebration again and students, staff, faculty, and families showed up. Over 5,600 people attended the all University meal on Fountain Mall! Another impressive turnout was the 574 people who made it to Dia Marina festivities, shattering the single day Pullin Family Marina attendance record!

UPDATES

The Excellence in Student Leadership Awards are coming up on May 5 as a celebration of student leaders and student organizations. Nominations are still open until this Thursday (4/21) at 2 p.m. Please consider nominating a deserving student leader [HERE](#) or a student organization [HERE](#). A full list of the awards and a description of each is included in each submission form.

In case you missed it, its not just kids that had Easter egg hunts this past weekend. [Joy and Lady got in on the fun too!](#) While children scoured yards for Peeps and candy, Joy and Lady were on the hunt for eggs filled with tuna, strawberries, nuts, and honey. To each their own, but I think I would be pretty disappointed to find tuna in an Easter egg. 🐟

COMING UP

As we come to the end of the semester, things tend to slow down a bit as we give students space to focus on finishing strong. There is still plenty left though and many are working hard on various end-of-year programming. As we all work diligently towards the end of the semester, this a good reminder to pause and pray for students and colleagues, that God would sustain us all as we seek to finish well.

This weekend is Green and Gold Weekend, anchored by two main events. First, the Green and Gold Spring Game (Football) is Saturday (4/23) at Noon. It is an annual scrimmage that wraps up spring practices and is open to the public. Saturday evening at 7:30 p.m. is Delta Night Live, a concert headlined by Del Water Gap and with proceeds benefitting St. Jude's. Tickets can be found [HERE](#).
