

# WHAT'S NEW

May 1, 2023

## Important Message:

*Baylor is committed to a Christian mission that actively supports a caring, diverse campus community, where we are called to care for one another deeply with dignity and respect as an expression of our mission. As we begin the last week of classes – and with a study day on Friday, May 5, which is Cinco de Mayo – we remind students to reflect thoughtfully about how you approach this day.*

*As a campus community, we have become much more educated about cultural appropriation, which is "taking or using things from a culture that is not your own, especially without showing that you understand or respect this culture." Examples include wearing [Halloween costumes](#) or ethnic clothing that represent a culture in a flippant way.*

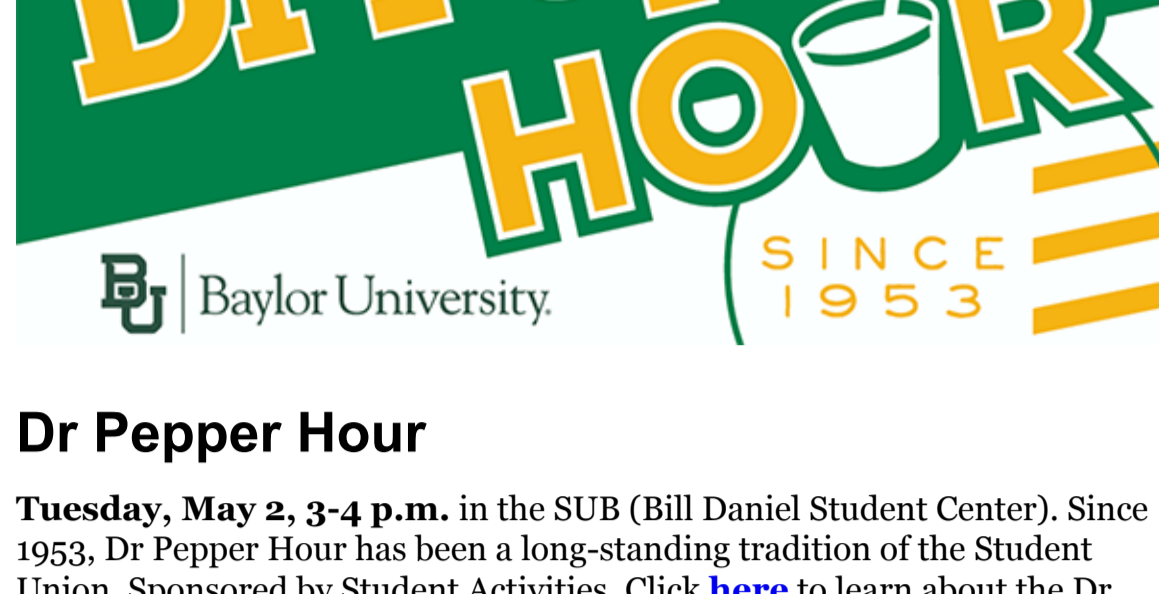

*Our students come to Baylor from across the globe and from families of all backgrounds. We each bear a genuine responsibility to foster a caring community marked by love and respect for all who call Baylor home.*
