## IMPACT

### Homecoming 2023

Despite the rain, it was a Homecoming to remember! **9,817 attended Dinner with the Livingstones and 7,500 attended Pigskin.** It was an incredible **Homecoming Parade** packed from downtown to campus with **168 parade entries.** If you missed the parade, you can catch the recap [HERE](#). ### Leadership Speaker Series

Eugene Cho spoke to an audience of 135 students, faculty, and staff about the Common Good through the lens of his own story and that of Jesus and the disciples in John 21. Throughout his presentation, **he challenged and encouraged the audience to consider their "why" in light of a theology of Constructive Hope – a hope that allows us to persist faithfully in the midst of brokenness.** Rev. Cho shared about his family history, his passion and advocacy work toward ending global hunger, and how his faith compels him to lead toward a more merciful, compassionate, and just world. If you missed the opportunity to see Rev. Cho live, you can watch a video of the event [HERE](#).

### Asian Fest

Asian Fest 2023 this past Friday included **16 acts performed for a crowd of over 500 individuals from the Baylor and Waco community.** Multicultural Affairs is thankful for the combined efforts of the Korean Student Association, the Vietnamese Student Association, and the Coalition of Asian Students for producing a night that highlighted the culture and talents of our Asian communities. ## UPDATES

### Introducing Spotlight Shoutout

In an effort to recognize and celebrate the good work performed by our dedicated Division of Student Life staff in a timely way, we are launching a new segment in our Spotlight newsletter called Shoutout. Appearing under the Staff News section, the Spotlight Shoutout will highlight staff who went above and beyond the scope of regular duties in a way that had substantive, positive impact on others and/or whose level of excellence in a particular program or initiative was exemplary. You may nominate any staff member within the division using [THIS FORM](#), where specific criteria are listed and further instructions provided. We encourage you to consider nominating someone! See below for the first Shoutout.

## SHOUTOUT

In our very first Spotlight Shoutout we are excited to shoutout **Dakota Farquhar-Cadell (Student Activities), who was nominated for his above and beyond contributions in welcoming our newest Baylor bears Judge Indy and Judge Belle.** Although they officially moved into the on-campus habitat in August, a lot of work went into caring for them prior to their arrival on campus. Dakota spent many long hours this summer caring for the bears at our off-campus facility. Over the summer our student bear trainers are not around and so Dakota was the primary care-giver. He bottle-fed our growing cubs, provided enrichment and care, and coordinated with key partners to ensure Judge Indy and Belle had all that they needed. He also did a great job coordinating with Baylor marketing to ensure we all got regular updates and pictures of our beloved cubs. **Thanks for all the great work Dakota and all that you do for Baylor!**

## COMING UP
