This past weekend, over 120 incoming transfer, first-year, and international students participated in Welcome Weekend activities designed to welcome them into our community. This event featured fun and educational opportunities for these incoming students to learn about the resources available to them during their time at Baylor University.

Across campus, we are grateful for the hard work and dedication of our student affairs staff, who help provide a wonderful start to these students’ Baylor stories!

This past weekend, students received their Line Jerseys and Slime Caps as they furthered new friendships within their residence halls. Despite inclement weather precluding a planned Sunday trip to Independence, students were able to enjoy visits to our historic sites and learn about the rich history of these locations.

On Sunday, our Men’s Basketball team faced off against Big 12 newcomer Cincinnati! While the weather remained cold, the atmosphere was warm as we welcomed the Bears to campus this past week!

The January 19, 2024, issue of Baylor Life featured our first Spotlight Shoutout of 2024. We are excited to shoutout Curtis Odle, who has gone above and beyond the scope of regular duties in a way that had substantive, positive impact on others and/or whose level of excellence in a particular program or role on our last day of selections.

MOMENTS

The Foster Pavilion was the gathering place for events this past weekend. If you haven’t had a chance to check out the Foster Pavilion yet, don’t miss the opportunity to take advantage of some free tickets for staff and faculty thanks to the Baylor Athletics Department!

New Shayna talk today for all-day “Pack The Pavilion” program.

As we begin a new year, don’t forget that, as part of Baylor’s campuswide Spiritual Wellbeing initiative, the Bears to campus! We encourage you, in consultation with your supervisor, to make plans for making use of your Spiritual Wellbeing Leave.
