IMPACT

The Division of Student Life is excited to announce another fantastic program to engage our students! Our student-led circus party at the Bear Habitat on Saturday, Feb. 4th featured an afternoon of fun and games for all ages. With a bouncy house, music, and a variety of carnival-style games, students and families alike were entertained throughout the day. It was a fantastic opportunity for our students to take on a larger role in overseeing our intramural sports. Did you know close to 1 in 3 undergraduate students participate in at least one intramural sport? It's a great way for students to stay active and engage with our beloved bears along with other benefits.

Updates:

- Judges Indy and Belle celebrated turning one year old this past Saturday in the Bill & Eva Williams Bear Habitat. The Bear Habitat launched a subscription program called the Bear Habitat Club for behind the scenes activities, adding as a "close friend" of the cubs on Instagram for realtime updates and updates throughout the month.
