Join Us For Baylor Premiere on Saturday!

Baylor Premiere is taking place on campus this coming **Saturday, April 13**. We will have thousands of prospective students and family members on campus for the day. Typically, families tour campus during the week when the campus is filled with activity. Because Premiere falls on a Saturday, we'd like to ask you to consider spending part of your day on campus.

Between **11 and 2**, we'd love it if you would come hang out on campus, walk your dog, have a picnic on Fountain Mall, play a game of frisbee, and just enjoy our beautiful campus. Many of you will already be here repping your student orgs. We encourage you all to come out and be a part of the first Baylor Premiere since pre-COVID times. **Get to know the next generation of Baylor Bears and make them feel at home!**
